Role: Technical Director
Qualf: USSF 'A' (United States)

Date: 15/05/22
Time: N/A
Duration: N/A
Age/Level:

Session Bring Energy the Players will Mirror it
Objective:

U12 Week 3

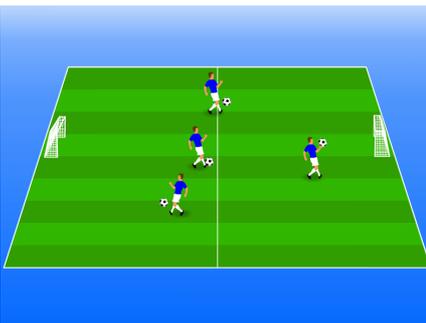

U8-U10 Start Game

Description: As players arrive to your field. Alternate putting pinnies on them. Get them playing it may start 2v2 then 3v2. MAX 6v6 IF MORE PLAYERS ARRIVE POLITELY ASK THEM TO GO ONTO ONE OF THE FIELDS WITH LESS THAN 12 PLAYERS. Same goes if players sneak on(1 is ok more than that stop the session and rebalance the numbers). If the ball goes out throw a new one in. Game continues. If a team scores the whole scoring team must go touch their goal before they can challenge their opponents. DO NOT TAKE THE PINNIES OFF THEM.

Coaching Points: ALWAYS encourage dribbling (it is not ball hogging or showing off; avoid using these phrases) Dribbling is one of the hardest things to teach and should be encouragea from a young age. Even if they maybe should have passed or mess up encourage the attempt to dribble. The decision making can be taught easily when they are older. If it is crowded TURN! (sound simple but players will offer try to jam the ball through players)

Fundamental Skill- Juggling (First Touch)

Description: 1- Player holds the ball straight in front of them drops it, juggles onces with laces and tries to catch it. 2- two in a row (allow bounces) 3- as many as you can usign bounces when needed 4- no bounces Combo 1- thigh laces catch. then 2 thigh laces etc. Pickups Chop- feet on either side of the ball bring together and lift toes to pop ball up- catch Piece of cake- foot on top of the ball, drag scoop- catch.

IF YOU CAN DO THE FANCY STUFF SHOW IT

Coaching Points: Let the ball drop lower (don't lift your foot super high) Chop- lift toes up Piece of Cake- drag quickly. Keep ball in front of you, don't drag under your body

Box Possession Level 1

Description: 10 X 10 box 5 attackers on each side of the box(one side with 2) 1 defender in the middle (they cannot tackle). 1 minute and Rotate the defender by sending them to the other box. Outside players can't go in the box. Inside defender can't come outside the box.

Coaching Points: Push your first touch away from the defender (don't stop the ball) Players off the ball find space along the line. Don't force the ball through the defender

U8-U10 End Game

Description: If the ball goes out throw a new one in. Game continues. If a team scores the whole scoring team must go touch their goal before they can challenge their opponents. Collect the Pinnies Thank Them. Clean Up

Coaching Points: ALWAYS encourage dribbling (it is not ball hogging or showing off; avoid using these phrases) Dribbling is one of the hardest things to teach and should be encouragea from a young age. Even if they maybe should have passed or mess up encourage the attempt to dribble. The decision making can be taught easily when they are older. If it is crowded TURN! (sound simple but players will offer try to jam the ball through players)
